Data Protection Policy

1. Introduction

1.1 This Data Protection Policy is the overarching policy for data security and protection for Banbury Chess Club (hereafter referred to as "us", "we", or "our").

2. Purpose

2.1 The purpose of the Data Protection Policy is to support the 10 Data Security Standards, the General Data Protection Regulation (2016), the Data Protection Act (2018), the common law duty of confidentiality and all other relevant national legislation. We recognise data protection as a fundamental right and embrace the principles of data protection by design and by default.

2.2 This policy covers:

2.2.1 Our data protection principles and commitment to common law and legislative compliance;

2.2.2 procedures for data protection by design and by default.

3. Scope

3.1 This policy includes in its scope all data which we process either in hardcopy or digital copy.

4. Principles

- 4.1 We will be open and transparent with service users and those who lawfully act on their behalf in relation to their care and treatment.
- 4.2 We will establish and maintain policies to ensure compliance with the Data Protection Act 2018, Human Rights Act 1998, the common law duty of confidentiality, the General Data Protection Regulation and all other relevant legislation.
- 4.3 Where consent is required for the processing of personal data we will ensure that informed and explicit consent will be obtained and documented in clear, accessible language and in an appropriate format. The individual can withdraw consent at any time through processes which have been explained to them and which are outlined in our Record Keeping Policy: Withdrawal of Consent procedures. We ensure that it is as easy to withdraw as to give consent.
- 4.4 We will undertake annual audits of our compliance.
- 4.5 We acknowledge our accountability in ensuring that personal data shall be:
 - 4.5.1 Processed lawfully, fairly and in a transparent manner;
 - 4.5.2 Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes;
 - 4.5.3 Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed ('data minimisation');
 - 4.5.4 Accurate and kept up to date;
 - 4.5.5 Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed ('storage limitation');
 - 4.5.6 Processed in a manner that ensures appropriate security of the personal data.
- 4.6 We uphold the personal data rights outlined in the GDPR:
 - 4.6.1 The right to be informed;
 - 4.6.2 The right of access;
 - 4.6.3 The right to rectification;
 - 4.6.4 The right to erasure;

- 4.6.5 The right to restrict processing;
- 4.6.6 The right to data portability;
- 4.6.7 The right to object;
- 4.6.8 Rights in relation to automated decision making and profiling.

4.7 Due to our size, we have determined that we are not required to have a Data Protection Officer (DPO), as we do not process special categories of data on a large scale.
